

Early Decision Agreement

IMPORTANT:

EARLY DECISION I DEADLINE: November 1

EARLY DECISION II DEADLINE: January 15

INSTRUCTIONS:

Early Decision (ED) is the application process in which students make a commitment to a first-choice institution where, if admitted, they will not apply to any other college or university.

The college will notify the student of a financial aid offer within days of an admission decision. The non-refundable \$400 enrollment deposit is then due.

Students who are accepted through Early Decision must accept the college's offer of admission and make no additional applications. If you are an Early Decision applicant, you are committing to attend the college if accepted.

Your completed and signed form may be submitted to The College of Wooster by email to admissions@wooster.edu, by fax to 1-330-263-2621 or by mail to Gault Admissions Center, 1189 Beall Avenue, Wooster, Ohio 44691.

Why Choose Early Decision?

“Wooster is my top choice!”
